EYM activities have been

Danny Engel: Has moved to Birch Hills. Last year EYM forwarded \$1000 to NCEM for his ministry, we hope to continue this support.

David Wright: Ethnos Canada has supplied us with "Who is God" booklet, we have purchased 100 so far for \$300, when the next printing of 10,000 is done in November, we anticipate ordering another 200, at \$2 each. Traveling to Northern Communities with David is Elder Norm McCallum, now in his 80's.

A lending library has been set up at Eron Coffee House, 3929 8th St. E, at Mckercher. With Creation books from EYM.

Supplying Henry Morris - The Defenders Bible - to churches, and individuals who want an Apologetics Bible to pursue Creation Evangelism. Cost is \$40 per Bible, best resource ever, on Science and the Bible.

Onion Lake: Linda Naistus will send us invitation for a dinner, film showing at the Log Church. Pray for Linda, and Pastor Martin Naistus health. This church, on a reserve, has and continues to attract many that need physical and True Spiritual food.

Awasis(First Nations Teachers Conference): Has been cancelled now for 2 years, we have over 100 teachers names with email of teachers on Reserves that are Believers, and open to the Gospel.

Filipino SNLCF Church: With Pastor Boc Laurico, is now where EYMI ministry is centered. We supply them with library material and "Who is God" booklets.

Web Site: Our excellent site EYMI.net is hosted by Ruth Friesen, cost is \$600/year/

Projectors: We now need another projector, Epson, suitable model, for about \$500 (We get a discount at Staples) for ministry use and for when we need to send one for missions, here in Northern Saskatchewan or overseas.

Budget for 2022 is \$4000, including the above needs, material, and travel.

We solicit your support for the above, by cheque to EYM, mail to EYM,c/o Ike Thiessen, 334 Begg Cres, Saskatoon, S7H 4P4, 306-221-7884 or leave at the SNLCF church, or e-transfer to ike@scaletech.ca, or go to our website EYMI.net where there is a Donate option. Amounts over \$10 will be receipted at year end and qualify as charitable gifts. EYM values our continued approved status with CRA, again having successfully submitted our yearly charitable documentation. With the new partnership with NLCF church, and the excellent poster and discipleship training they are giving to youth, we have opportunity to impact youth groups here in Saskatoon, across Saskatchewan, and in particular First Nations at schools and churches with the Creation Message. And will continue to provide tis material and projectors around the World.
